JAPANESE DEBARRED AT IMMIGRATION STATION

Mrs. Ignacio Palacio Kagurdo and her small son, wife and child of Ito Kagurdo, a Japanese carpenter at Nacozari, were brought before a board of inquiry at the local immigration station yesterday and after a hearing agreed to return to Mexico rather than be arrested and deported.

The husband was the victim of an accident eight months ago, having his leg broken. Since then he has been in the company hospital under pay. He was to have been discharged from the institution several days ago. On the day before he was to leave, his wife came here from Nacozari with her small son and crossed the border surreptitiously at night. She was located by inspector in Charge Frank W. Heath, having in the meantime obtained employment in a shooting gallery near the New Jersey camp.

Takio Kadoto, who had a laborer's passport from Japan for Mexico, applied for admission and was refused by a special board of inquiry as not possessing proper passports and not belonging to the class exempted by treaty.

BOOTLEGGERS SENTENCED IN SUPERIOR COURT

In the Superior Court today the trial of the case against Barney Bono, charged with selling liquor, occupied the attention of the court until the noon hour, when the case went to the jury. The case was one of the hard est fought cases having been heard for the defense, and this afternoon at four o'clock the jury had not rendered its verdict. It is believed the case will result in a hung jury.

Other matters occupied the attention of the court this afternoon amounting to two sentences. Narciso I. Arte was given from 2 years to 10 for burglary, while Rogelio Gonzales received 5 to 10 years for a felony.

Tomorrow no jury cases will be before the court, the jury having been excused until Monday, when the case of the State vs. Bostick and Speed have been set. Probate, and law and motion matters will occupy the court tomorrow.

Andy Carpenter, who pleaded guilty a few days ago, came into court and was sentenced to serve a term of three months in the county jail and to pay a fine of \$300. The fine was paid at once. George Pettijohn was sentenced to serve a term of three months and 24 days, and to pay a fine of \$372, which was paid. Oscar Walters, of Garden Canyon, came into court and changed his plea of not guilty to guilty and was sentenced to serve a term of twenty days and to pay a fine of \$75.

ITEMS OF INTEREST

TO ARIZONA FARMERS
If poisoned brain for grasshoppers is to be placed in orchards, care should be taken to see that it is not placed too close to young trees. In Cochise county the death of young trees has been traced to this cause. The underground bark and roots of young trees are tender, and if strong Paris green is washed in by rain the trees will be injured and sometimes killed.

Farmers in Cochise county are being advised by the farm advisor to plant some winter grains, especially on ground that was prepared for summer dry farm crops which have not been a success because of drought or destruction by grasshoppers. In most localities good rains have now placed such land in condition for fall sown grains. These grains, barley, wheat and rye should be planted early in September, so they will mature early in the spring and thus escape the dry weather to some extent.

TO THE DEFEATED CANDIDATE

By "S"
There he stands; he is heart-broken.
For he thought he had a show.
But the blow fell hard and heavy
When the ballots answered "NO."

Where are all those friends he wonders.
All those friends who seemed so true.
As they shook his hand and promised
That they'd help to pull him thru.
They who praised him; they who boasted,
They who lauded him to the stars.
They who gave him great encouragement,
As they smoked his good "segars."

Just because you've been defeated,
O'er the rocky road you've trod,
Do not curse the "dear, dear people,"
Do not curse the work of God.
Do not grumble, do not whimper,
Think not ill of those you know,
Just because you've been defeated,
And the ballots answered "NO."

Of 32 submarines for which contracts have been let, eight were over 80 per cent completed on September 1, and seven between 60 and 80 per cent finished.
